5. (Confidential - CEA) Messrs. Warner spoke to Frank McNamara, Staff Director, HCUA, concerning a possible amendment to the Internal Security Act of 1950 dealing with the unauthorized disclosure of information. McNamara was most receptive to the suggestion and saw no problems in handling it without involving the Agency. McNamara thought it would be a good idea if we were to talk to J. Sourwine, Senate Internal Security Subcommittee staff, concerning the amendment once it has been introduced on the House side. McNamara also suggested that we talk to Walter Yeagley at the Department of Justice before the amendment is considered by the Committee.
